

FLIPPO

designed by
FERNANDO MARTÍNEZ

Minimalist, elegant, and modern: FLIPPO is a collection of refined ceiling lights featuring a clean design and textured finishes. It is available as a single fixture for a subtle touch or in groups of three to create dynamic ceiling compositions. FLIPPO seamlessly combines simplicity and aesthetics, making it the perfect addition to any contemporary space.

Minimalista, elegante y moderno. FLIPPO es una colección de sofisticados plafones de diseño limpio y acabados texturizados. Se presenta como un plafón individual para un toque discreto, o en agrupaciones de tres, creando composiciones dinámicas en el techo. FLIPPO combina simplicidad y estética para integrarse perfectamente en cualquier espacio contemporáneo.
