

MORGANA

designed by
FERNANDO MARTÍNEZ

Inspired by the well-known witch from the legends of King Arthur and Merlin the wizard. The witch Morgana had the power to change shape, an ability that we have given our lamp. MORGANA is presented as a changing design, a living lamp with its own spirit. A lighting concept that allows you to play with shapes whenever you want. By sliding its rings vertically just by using your hands, the lamp changes its shape and transforms.

Inspirada en la conocida bruja de las leyendas del Rey Arturo y el mago Merlín. La bruja Morgana tenía el poder de cambiar de forma, una habilidad que hemos dado a nuestra lámpara. MORGANA se presenta como un diseño cambiante, una lámpara viva con espíritu propio. Un concepto de diseño que te permite jugar con las formas en cualquier momento. Deslizando sus aros verticalmente de forma manual, la lámpara cambia de forma y se transforma.

OCEANS WITHOUT PLASTIC

Under this slogan we started an initiative that involves the removal of tons of plastic from the environment every year, thanks to our collection of cord made from recycled plastic bottles, collected from the sea and from our environment.

Bajo este lema comenzamos una iniciativa que supone la retirada de toneladas de plástico del medioambiente cada año, gracias a nuestra colección de cuerda fabricada con botellas de plástico recicladas, recogidas del mar y de nuestro entorno.
