ONNA

designed by
NACHO TIMÓN

In this design by Nacho Timón, the cords intertwine to create an organised chaos as a fractal, which extends across the metal structure, generating volumes on each of its faces.

En este diseño de Nacho Timón, las cuerdas se entrelazan entre si creando un caos organizado a modo de fractal, que se extiende por la estructura metálica generando volúmenes en cada una de sus caras.

OCEANS WITHOUT PLASTIC

Under this slogan we started an initiative that involves the removal of tons of plastic from the environment every year, thanks to our collection of cord made from recycled plastic bottles, collected from the sea and from our environment.

Bajo este lema comenzamos una iniciativa que supone la retirada de toneladas de plástico del medioambiente cada año, gracias a nuestra colección de cuerda fabricada con botellas de plástico recicladas, recogidas del mar y de nuestro entorno.
