

POLARIS

designed by
FERNANDO MARTÍNEZ

Create a stellar ambiance with POLARIS. In this family of wall, ceiling, and pendant lamps, the stretching fabric takes center stage, transforming into a faceted structure as it molds to the lines of the metallic framework of this design.

Crea un ambiente estelar con POLARIS. En esta familia de apliques, plafones y colgante, la tela elástica es la protagonista, transformándose en una estructura facetada al adaptarse a las líneas del armazón metálico de este diseño.
