

IP66 OUTDOOR

POMA

designed by
FERNANDO MARTÍNEZ

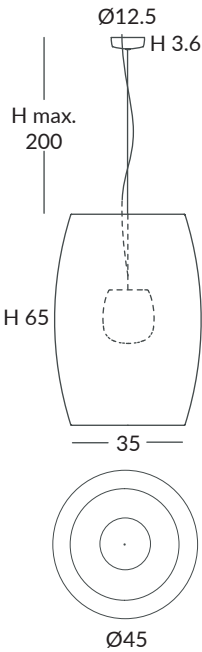

Readapted for outdoor use, the POMA collection filters the light in an original way through the zig-zag braided cords. Suspensions, ceiling lights and new floor lamps make up this family.

Readaptada para exterior, la colección POMA filtra la luz de forma original a través de las cuerdas trenzadas en zig-zag. Colgantes, plafones y nuevas lámparas de pie con IP66 componen esta familia.

OCEANS WITHOUT PLASTIC

Under this slogan we started an initiative that involves the removal of tons of plastic from the environment every year, thanks to our collection of cord made from recycled plastic bottles, collected from the sea and from our environment.

Bajo este lema comenzamos una iniciativa que supone la retirada de toneladas de plástico del medioambiente cada año, gracias a nuestra colección de cuerda fabricada con botellas de plástico recicladas, recogidas del mar y de nuestro entorno.
