

POT

designed by
FERNANDO MARTÍNEZ

A collection of timeless metallic ceiling and pendant lights, POT stands out for its simplicity and elegance. It is perfect for creating compositions, encouraging the joy of combining and exploring new modular configurations.

As a new feature, we have updated the collection's finishes: textured terracotta, sand, green, white, and black. This color palette brings us closer to nature and seamlessly adapts to any space and style.

Colección de plafones y colgantes metálicos de diseño atemporal, que destaca por su sencillez y elegancia. POT es perfecto para crear composiciones potenciando el gusto por combinar y explorar nuevas configuraciones modulares.

Como novedad, hemos actualizado los acabados de la colección: teja, arena, verde, blanco y negro texturizados. Esta paleta de colores nos acerca a la naturaleza y se adapta a cualquier espacio y estilo.
