# TI-ZAS

designed by
FERNANDO MARTÍNEZ

olé

Using aluminum and polycarbonate extrusion, we have created these minimalist "chalk strokes" illuminated by PCB-LED technology. Their modular nature allows for multiple combinations, adapting to any space with creativity and style.

Con la extrusión del aluminio y del policarbonato hemos creado estos "trazos de tiza" de diseño minimalista, iluminados mediante PCB-LED. Su carácter modular permite múltiples combinaciones, adaptándose a cualquier espacio con creatividad y estilo.
